About the SPA

Stockport Grammar School is proud to have the committed support and assistance of the Stopfordian Parents' Associates (SPA) who organise fun activities and events for pupils and parents to enjoy whilst raising funds to enhance the children's experience throughout the whole school.

Parents of pupils across the entire school can get involved by joining the committee, attending meetings, organising events or becoming a class representative.

If you would like more information on how to get involved, email

All about Class Reps

Class Representatives play an important role within the SPA, acting as the key link between the SPA and parents in each class or year group.

While all parents are automatically members of the SPA, not everyone is able to be actively involved. Our Class Reps therefore provide an invaluable communication link, helping us ensure that important information reaches the wider parent community.

Throughout the year, Class Reps help to:

- Share information about PTA events, fundraising activities and meetings.
- Encourage and coordinate volunteers for events such as Sports Day and the Christmas Fair.
- Help gather donations for activities including Uniform Sales and other fundraising initiatives.
- Relay important SPA messages to their class or year group.
- Set up and help manage class or year-group WhatsApp groups.
- Organise class gifts for teachers at Christmas and at the end of the school year.
- Help build a strong parent community, with many Reps also arranging social events and nights out for parents.

Christmas Fair

The Christmas Fair will take place this year on Saturday 28th November 2026, 11am-2pm. Each year group is responsible for organising and running a stall at the Fair. Class Reps play a central role in coordinating their year group's stall, including arranging volunteers and encouraging any donations or contributions required.

The success of events such as the Christmas Fair relies enormously on the enthusiasm and support of our Class Reps and the wider parent community.

Thank You

We would like to say a huge thank you to all our Class Representatives for giving their time, keeping parents connected and helping to make our PTA activities possible.

Your support makes a genuine difference to our school community, and we are very grateful for everything you do.
